AWARDS & RECOGNITION

- Recognition & Reward Award** — Dedalus Healthcare Townhall, 2025; awarded for outstanding technical delivery and product impact.
- DNA Core Award Nominee** — Two consecutive years (2024 & 2025); recognised company-wide for achieving excellence through cross-functional collaboration.

PROFESSIONAL EXPERIENCE

Associate Software Engineer Aug 2023 – Present
Dedalus Healthcare, Chennai

- Developed 10+ Angular feature modules (TypeScript, RxJS, NgRx, Reactive Forms, Dependency Injection) achieving **20% faster page load** across 3+ product lines.
- Delivered **25+ RESTful API endpoints** using Spring Boot with JWT Authentication and exception handling, supporting 500+ enterprise healthcare users.
- Architected **50+ reusable Angular Components** with lazy loading, HTTP Interceptors, and SOLID principles — cutting code duplication by **30%** and release cycles by **40%**.
- Established Cypress E2E and unit test suites, scaling **test coverage to 90%** and reducing post-release defects by **25%**.
- Conducted code reviews, debugging, and root cause analysis; shipped **8+ high-priority features** across 20+ Scrum and Kanban releases without schedule overruns.

Software Engineer Intern Mar 2023 – Jul 2023
Dedalus Healthcare, Chennai

- Spearheaded full-cycle frontend development using Angular and TypeScript; reusable component architecture **reduced development time by 35%**.
- Migrated EPMA from Silverlight to Angular across **5 screens**, applying SQL query optimisation to **cut legacy rendering time by 15%** and improving overall user experience.

PROJECTS

Personal Portfolio *Angular, TypeScript, GitHub Pages* | Live Demo

- Crafted a responsive SPA with standalone components, lazy loading, and SEO best practices; deployed via GitHub Pages with automated Git-based CI.

FitPro – Diet Planner *Angular 12, NgRx, RESTful API, RxJS*

- Implemented meal tracking and personalised diet planning for 100+ users; achieved **40% faster rendering** through lazy loading and Angular performance optimisation techniques.
